

REMARKS

This reply and its attachments are submitted in response to the Office Communication dated July 1, 2003. Claims 59-83 are pending in the application. The Examiner has requested that the Applicant provide under 37 CFR 1.105 certain information that the Examiner has determined reasonably necessary for the Examination of the instant Application. Specifically, the Examiner has requested that Applicant provide a tabulated summary of the related Applications filed and pending claims in each of the co-pending Applications, with a brief summary of the clear line of demarcation between the claims.

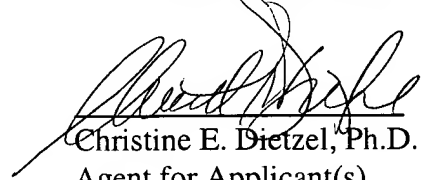

Applicants provide herewith a bound set of documents relating to the inter-relationship of the Friedman et al. OB-related U.S. Patent Applications and Issued Patents. These documents include a Tabulated Summary of Applications, a Flowchart showing the inter-relationship of Applications, and Exhibits A through O providing claims of each of the issued or co-pending Applications.

CONCLUSION

Applicants respectfully request entry of the foregoing remarks and the enclosed in the file history of the instant Application. Early and favorable action on the claims is earnestly solicited.

Respectfully submitted,

KLAUBER & JACKSON
